Dear Ms. Jeram,

The U.S. Environmental Protection Agency needs your assistance to replenish its supply of pesticide analytical reference standards for the EPA National Pesticide Standard Repository. These standards are maintained in the repository for distribution to federal and state laboratories performing FIFRA enforcement, as required by 40 CFR part 158, and OPPTS Test Guidelines 830.1900 and 860.1650.

We currently need to replenish our stock with:

Tolylfluanid, 5 grams  
Imidacloprid, 5 grams  
Thiabendazole, 5 grams

Please send this material as soon as possible to:

Ms. Terry Cole  
EPA Environmental Science Center  
National Pesticide Standard Repository  
701 Mapes Road  
Fort Meade, MD 20755-5350

Please also include 1) a copy of the MSDS, 2) a copy of the Certificate of Analysis, 3) declared percent purity and 4) the expiration date. If no expiration date is provided, we will assume a one year expiration date.

Your continued support of the EPA National Pesticide Standard Repository is greatly appreciated. If you have any questions, please contact me by telephone (410-305-2907) or email ([cole.theresa@epa.gov](mailto:cole.theresa@epa.gov)).

Sincerely,

Theresa M. Cole

Hi Luanne,

We received the imidacloprid and thiaabendazole standards. Unfortunately, we did not receive a COA or MSDS for either standard. Please email or fax these documents to me at your earliest convenience.

Kind Regards,  
Terry
